

Premio internazionale Assteas V° edizione.

Tema la Natura e l'ambiente.

Regulation

Art.1 An international artistic competition is held in relation to ceramics and its derivatives as well as with distinct contaminations in the following categories: (the category is indicated by the artist.)

1. "Decorated objects (objects in which the decoration is greater than the modeled form). "

2. "Objects for modeled form (objects in which the modeled form is superior to decoration)."

All adults can participate without any distinction of nationality, sex, religion or other. The theme of the competition is "Nature and the environment".

Art.2 To participate in the competition, a fee of thirty euros is required for secretarial and catalog expenses. The competition will be published on social networks and on the portal www.premioassteas.com.

Art.3 The competition will be characterized by the following phases:

a. Selection.

All artists can apply and the selection is free for one or all categories, there are no dimensions for the works. Send the material for selection by April 15, 2021 to the email address Premioassteas@gmail.com the following documentation: 1) the photo (s) of the work / s with which you intend to participate, with indication of the title-dimension-year - Description; 2) photo of the artist; 3) a short curriculum; 4) registration to the call.

b. Allowed - show.

The artists will be admitted at the sole discretion of the organization. Only they will have to pay the participation fee.

c. Awards ceremony

The works that will be considered worthy will receive three prizes per category. The organization reserves the right to award prizes out of competition. All artists will receive a certificate of participation, a printed catalog and the material of the exhibition.

Date, place and signature for acceptance.
